

Minuteman Press of Berkeley

Our company was founded as **Captain Copy** in 1972 in the busy south campus area of UC Berkeley. We shortly became “*The Name to Remember for Professional Impressions,*” and matriculated in the 1980’s to become **General Printing** in West Berkeley. In recent years we merged to become “*The First and the Last Step in Printing*” as **Minuteman Press of Berkeley**. Through the years we have established a formidable reputation for the quality of our work and for service to our customers.

We want to say **THANK YOU** for the confidence you’ve shown in our ability to serve all of your printing needs. Here is a chance for you to introduce us to someone you feel would benefit from the same quality and service you have come to expect from us. **For your next referral you will receive a special referral discount of 10% off your next order.**

As a bonus to those you refer, we will take 10% off their first order. Just fill in your name and give this certificate to whomever you choose. When they redeem this special referral offer with their discounted purchase, you will get your discount on your next order. It’s that simple. As always, we value your business and look forward to serving you in the future!
